11 TERMS & CONDITIONS

Order Information

All orders are to be in writing to avoid errors and/or duplication. Orders are subject only to the terms and conditions listed hereunder. It is expressly understood that variation from these terms and conditions shall only pertain on a per order basis when agreed to in writing by an officer of HLF Furniture, Incorporated. In placing an order, customer unconditionally agrees that terms and conditions listed hereunder shall supercede any and all terms and conditions listed on the customer's purchase order.

Phone Orders

Phone orders must be followed by written confirmation via mail or FAX transmission. It is the customer's responsibility to clearly indicate confirmation to avoid duplication.

Acknowledgement

It is our policy to acknowledge all orders in writing. The acknowledgment will reflect as completely as possible our understanding of the order and will indicate the correct net pricing and approximate ship date. It remains the customer's responsibility to check the Acknowledgement for accuracy and to promptly report any errors or discrepancies.

Date of Delivery

It is our firm intention to comply with requested delivery dates insofar as is reasonably possible; however, it should be recognized that the date of shipment listed on our Acknowledgement is an estimate only and not an essential term of agreement. Delays in shipment of an order do not constitute a valid reason for cancellation nor shall HLF be liable for any expenses arising from any delay in delivery or failure to make delivery due to unavailability of raw materials, labor or supplies or any factor beyond our reasonable control which might hinder or impede the manufacture or delivery of all or part of any order.

Cancellations / Changes

Orders may be cancelled or changed at any time prior to commencement of production. The customer will be responsible for any costs incurred up to the point of cancellation and for the cost of the changes. No cancellations or changes will be accepted after production has commenced.

Prices

All prices are subject to change without notice. Orders are accepted at the price in effect as of the date of receipt of order at the factory.

Terms

Terms are 1% 10 days/net 30 days for customers on open account. Open account is only granted upon approval of a completed HLF Credit Application by our credit department. A 50% deposit or Pro Forma payment may be required prior to processing an initial order. No orders will be processed for accounts having outstanding invoices more than 30 days past due.

Specifications

Sizes, as listed, are nominal and may vary plus or minus 1/2" from list. Where product construction and material specifications are listed in this price, they represent materials and methods in use at the time this guide was printed. HLF unconditionally reserves the right to change materials and construction methods without notice as part of our continuing efforts to improve products and technique. HLF does not manufacture plastic laminates. Specifications for plastic laminates should be obtained directly from the appropriate laminate manufacturers.

Returns / Restocking

No returns will be accepted without the prior written consent of the factory. As all goods are manufactured to order, there is no provision offered for restocking merchandise upon payment of a restocking charge.

TERMS & CONDITIONS 11

Warranty

All health care products are warranted to the original purchaser for a period of five years from the date of the original invoice to be free from factory defects in workmanship or materials. Because of the natural variations over which HLF has no control, this warranty does not extend to color, grain or texture of wood or textiles and does not warrant matching of color, grain or texture except as specified in the order confirmation. HLF assumes no responsibility for the improper application or installation of electrical and lighting components, or for labor costs involved in repair or replacement. Lamps, ballasts, sockets or other electrical components not fully manufactured by HLF are covered by manufacturer's trade warranties. HLF Furniture's sole obligation and customer's remedy under this warranty shall extend to the repair or replacement, at our option, of products which prove defective during the warranty period under normal usage for the purpose intended. Misuse, alteration, negligence, abuse or damage by accident shall negate this warranty. There are no implied warranties of merchantability or fitness for a particular purpose made by HLF in connection with the sale or use of any item. The warranty provisions listed above are expressly in lieu of any other warranties, express or implied by fact or by statute, and all other remedies for damages arising from the sale or use of any item of furniture.

Back Charges

Charges incurred by the customer in expediting shipments or for the repair of goods will not be accepted by the company. Any back charges must be approved in advance in writing by HLF Furniture, Inc. via an HLF Credit Memo. We reserve the right to return goods to the factory for warranty repair rather than incur field service costs and shall be liable only for costs between the factory and the destination to which the goods were first delivered as indicated on our Shipper or Bill of Lading.

Drop Shipment

Customers desiring drop shipments directly to an end user or a job site may do so by requesting the service in writing on their purchase order. Customers will be required to sign and return an HLF Drop Ship Agreement before any drop shipment can occur. Any additional costs will be the customer's responsibility.

Packaging / Crating

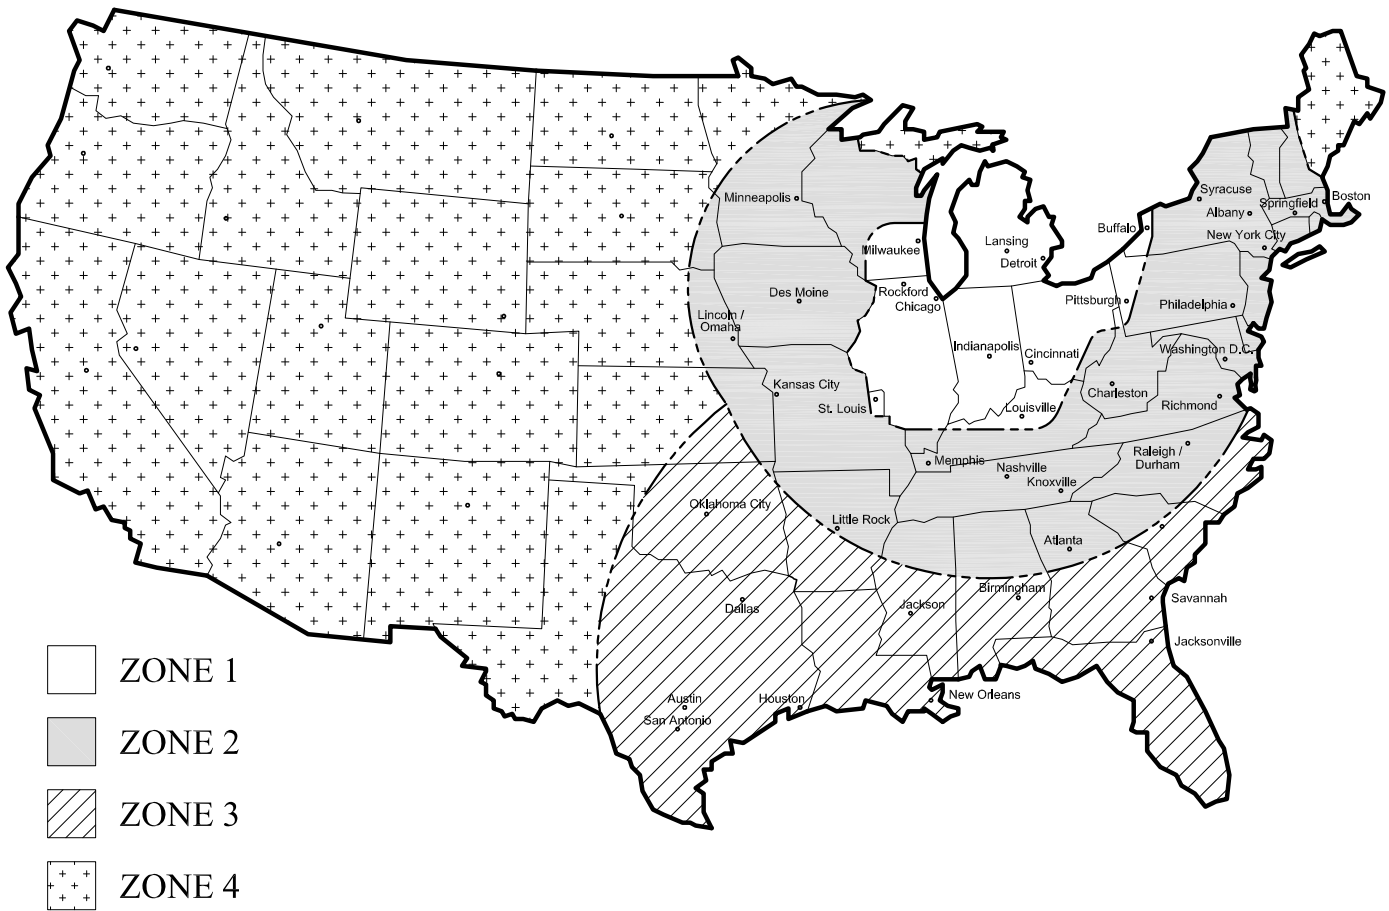

All health care products are generally shipped blanket wrapped. Packaging and/or crating is available at the factory's discretion.

Claims

Claims for any damage must be filed promptly with the carrier. In case of damage, all crating materials should be retained until the goods are inspected. We cannot be responsible for merchandise once a carrier has received and signed for merchandise in good condition.

Storage / Delays

When shipment is delayed by the customer, we reserve the right to place the goods in storage at the customer's risk and expense. Terms for payment shall commence upon notification of the customer that goods are ready for pick-up or delivery.

All shipments are either common or contract carrier, at the factory's discretion.
