Banquette Tables

LOUNGE + HOSPITALITY / DESIGN STUDY 01

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

Dark square tops bring a crisp contrast to soft seating and a light pedestal silhouette.

Straight-Leg Work Table

WORKPLACE / DESIGN STUDY 02

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A pale rectangular top and dark legs create a quiet, direct presence in an open office.

Lightwood Lounge Table

LOUNGE / DESIGN STUDY 03

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A warm rectangular surface anchors a relaxed seating group without overpowering the room.

White-Frame Coffee Table

LOUNGE / DESIGN STUDY 04

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A light frame and broad top echo the room’s architectural lines and soft neutral palette.

Compact Meeting Table

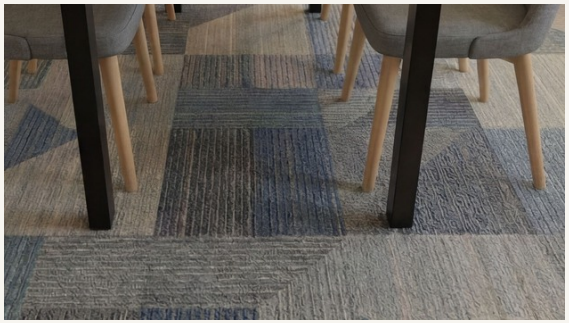

MEETING + DINING / DESIGN STUDY 05

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

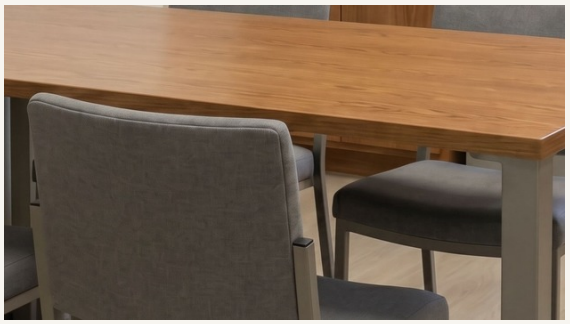

A small shared surface creates a natural gathering point in a bright, informal room.

Warmwood Dining Table

DINING / DESIGN STUDY 06

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

Warm tones and a simple four-leg profile complement an everyday dining setting.

Communal Dining Table

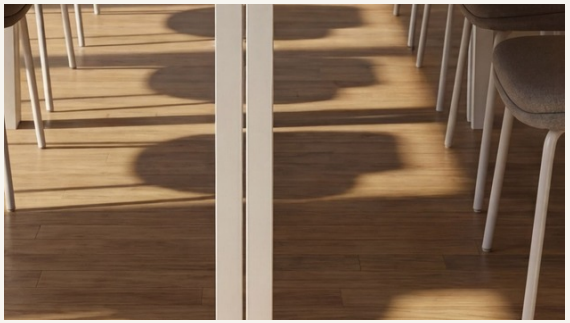

DINING / DESIGN STUDY 07

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A long, light surface establishes a shared center for conversation and casual gathering.

Square-Leg Utility Table

MULTIPURPOSE / DESIGN STUDY 08

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A restrained rectangular profile pairs a neutral top with clean, substantial legs.

Round Tripod Coffee Table

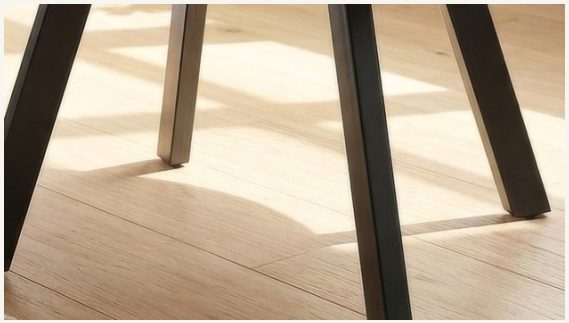

LOUNGE / DESIGN STUDY 09

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A round wood-look surface and angled dark legs soften the geometry of the seating area.

Angled-Leg Project Table

COLLABORATION / DESIGN STUDY 10

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A pale top and outward-leaning legs give a shared work surface a dynamic stance.

Angled-Leg Work Table

WORKPLACE / DESIGN STUDY 11

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A generous surface and open base bring a graphic silhouette to an individual workspace.

Round Collaboration Table

MEETING / DESIGN STUDY 12

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A circular top draws chairs into a compact, conversational arrangement.

Low Angled-Leg Table

LOUNGE / DESIGN STUDY 13

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A low rectangular surface offers a clean visual bridge between upholstered lounge chairs.

Long Meeting Table

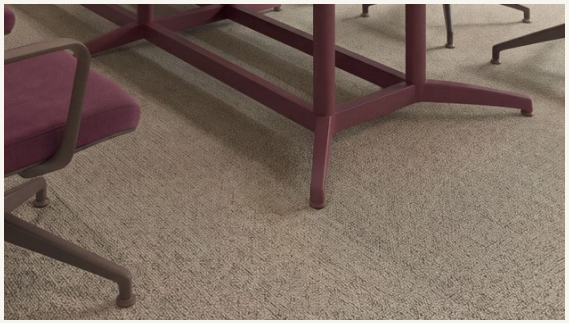

MEETING / DESIGN STUDY 14

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A long pale top and deep-colored base introduce contrast to an open meeting room.

Nesting Table Array / Light

FLEXIBLE SPACES / DESIGN STUDY 15

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A compact row of upright tables illustrates a space-saving arrangement between uses.

Nesting Table Array / Warm

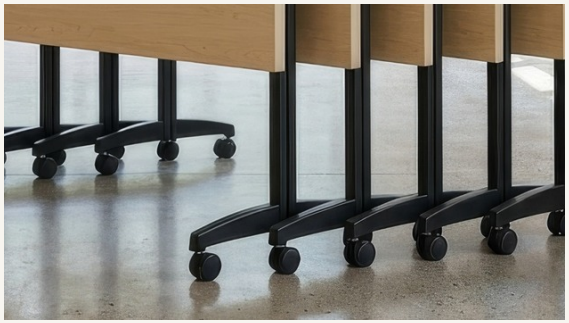

FLEXIBLE SPACES / DESIGN STUDY 16

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

Warm surfaces repeat across an upright table array within an architectural interior.

Round Wood-Look Coffee Table

LOUNGE / DESIGN STUDY 17

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A low circular top connects a varied seating group through a warm central element.

Slim-Frame Gathering Table

COLLABORATION / DESIGN STUDY 18

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A slender base and light top keep a shared gathering area visually open.

Dark-Frame Project Table

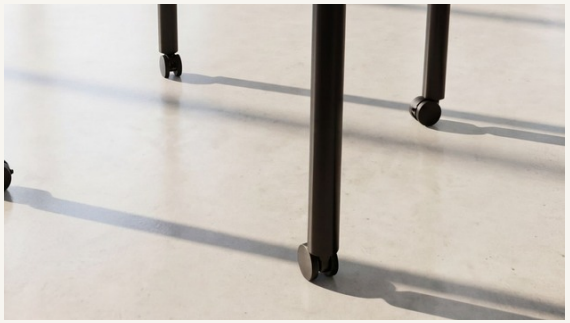

WORKPLACE / DESIGN STUDY 19

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

Dark framing gives definition to a pale top within a sunlit office interior.

Small Team Meeting Table

MEETING / DESIGN STUDY 20

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A compact shared surface brings a small group together in a relaxed workplace setting.

Rectangular T-Base Table

MULTIPURPOSE / DESIGN STUDY 21

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A light wood-look top spans two dark T-shaped supports for a clear linear profile.

Round Cross-Base / Dark

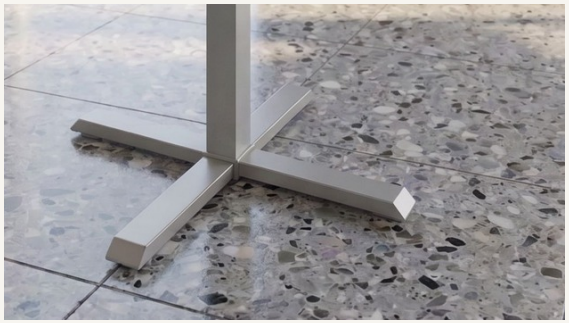

MEETING + DINING / DESIGN STUDY 22

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A dark circular surface rests above a bright cross-shaped base in a minimal interior.

Round Cross-Base / Light

MEETING + DINING / DESIGN STUDY 23

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A light circular top and bright base create a softer variation on the same visual theme.

Round Lounge Pedestal

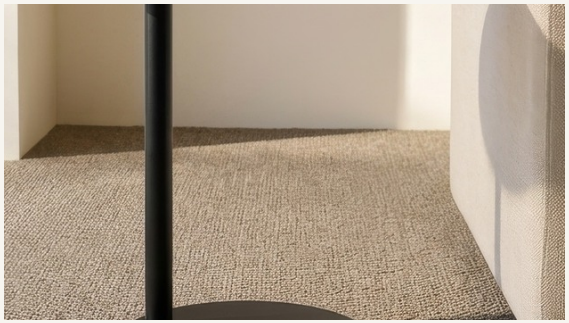

LOUNGE / DESIGN STUDY 24

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A small circular surface and dark disc base sit comfortably beside lounge seating.

Cantilever Sofa Table

LOUNGE / DESIGN STUDY 25

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

An offset frame brings a compact rectangular surface close to the seat.

Loop-Frame Coffee Table

LOUNGE / DESIGN STUDY 26

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A low rectangular top and continuous-looking frame create a simple architectural volume.

Loop-Frame Work Table

WORKPLACE / DESIGN STUDY 27

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

An open rectangular base gives a broad work surface a strong geometric identity.

Loop-Frame Project Table

WORKPLACE / DESIGN STUDY 28

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A warm top balances the graphic outline of a dark, open frame.

Round Sculptural-Base Table

MEETING / DESIGN STUDY 29

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A dark circular top is balanced by a distinctive multi-part support beneath.

Wood-Look Conference Table

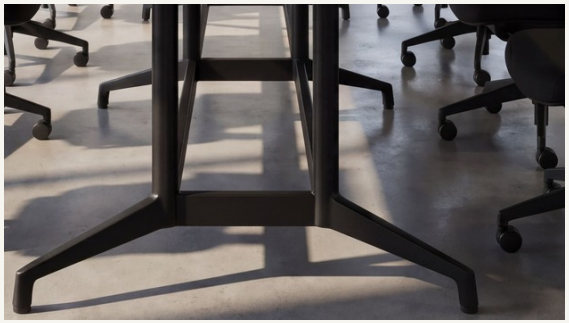

MEETING / DESIGN STUDY 30

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

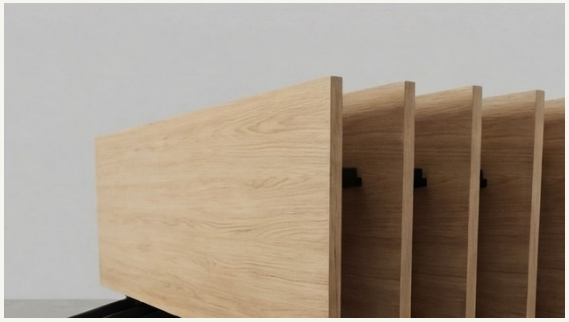

A generous warm surface forms the center of a full conference-room arrangement.

Upright Table Array / Studio

FLEXIBLE SPACES / DESIGN STUDY 31

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

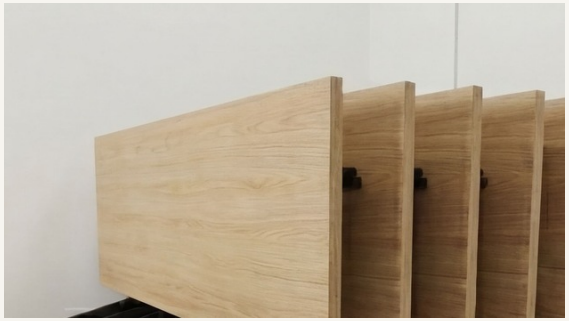

Repeated wood-look surfaces and wheeled supports form a compact upright array.

Upright Table Array / Classroom

FLEXIBLE SPACES / DESIGN STUDY 32

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

An upright table array shows how multiple surfaces can sit together within a teaching space.

Mobile Rectangular Table

FLEXIBLE SPACES / DESIGN STUDY 33

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A pale surface and slim wheeled supports create a light, adaptable visual profile.

Library Meeting Table

EDUCATION + MEETING / DESIGN STUDY 34

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A warm shared surface sits naturally within a room of books, daylight and quiet seating.

T-Base Work Table

WORKPLACE / DESIGN STUDY 35

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A light wood-look top and bright T-shaped supports offer an open, uncluttered composition.

Café Cross-Base Table

HOSPITALITY / DESIGN STUDY 36

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A warm rectangular top and dark central base suit an intimate café arrangement.

Round Café Table / Light

HOSPITALITY / DESIGN STUDY 37

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A pale circular top and bright cross base complement a lively shared dining space.

Shared Team Work Tables

COLLABORATION / DESIGN STUDY 38

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

Paired warm surfaces create a generous center for a working group.

White-Top Lounge Table

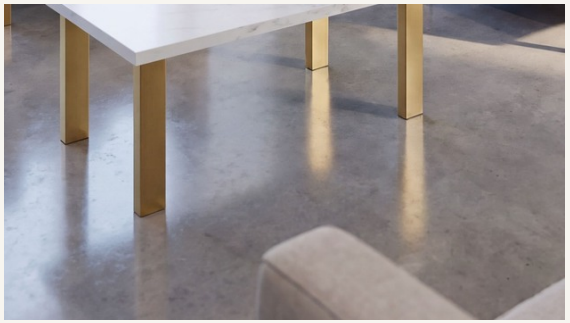

LOUNGE / DESIGN STUDY 39

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A pale low surface and warm-toned legs balance the room’s upholstered seating.

Tall Square-Leg Table

COLLABORATION / DESIGN STUDY 40

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

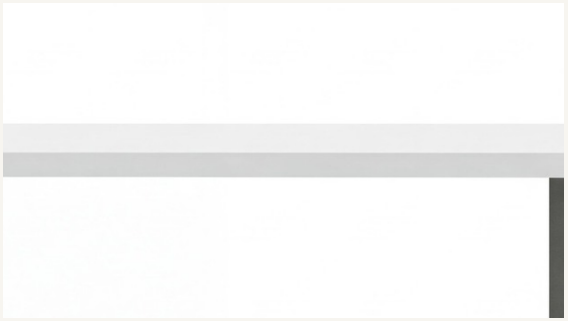

A light wood-look top and substantial gray legs create a confident gathering point.

Minimal Four-Leg Table

MULTIPURPOSE / DESIGN STUDY 41

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A pale rectangular surface and slim dark legs reduce the table to a clean essential form.

Booth Gathering Table

HOSPITALITY / DESIGN STUDY 42

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A warm rectangular surface centers a booth setting with soft upholstered seating.

Shared Workbench Setting

WORKPLACE / DESIGN STUDY 43

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

Light surfaces and repeated supports establish an orderly shared workplace composition.

Round Disc-Base / Warm

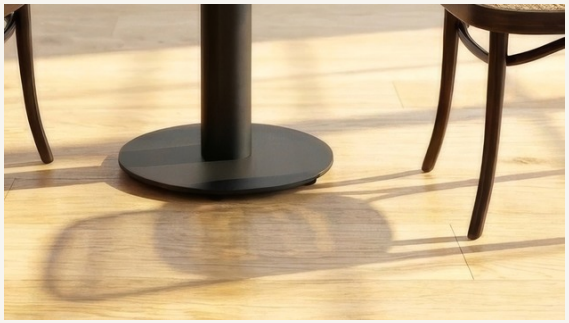

DINING / DESIGN STUDY 44

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A warm circular surface and dark disc base give a small dining group a clear center.

High Round Gathering Table

HOSPITALITY / DESIGN STUDY 45

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A raised circular surface supports an informal gathering arrangement beside large windows.

Round Disc-Base / White

MEETING / DESIGN STUDY 46

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A bright circular surface and dark central base anchor a small meeting group.

Standing Cross-Base Table

COLLABORATION / DESIGN STUDY 47

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A pale top and bright cross-shaped support define a light standing-height silhouette.

Angled-Leg Team Table

WORKPLACE / DESIGN STUDY 48

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

Warm surface tones and angled supports add movement to a shared office setting.

Angled-Leg Desk / Warm

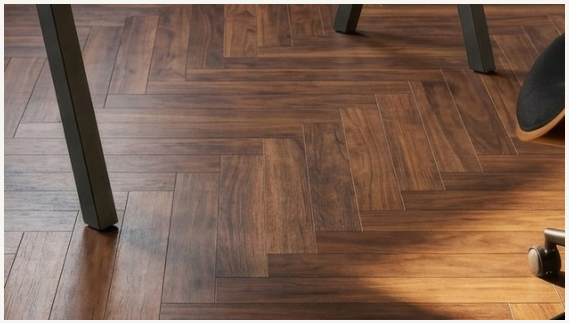

WORKPLACE / DESIGN STUDY 49

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A compact warm surface and dark angled legs bring a distinctive profile to a private room.

Booth Pedestal Table

HOSPITALITY / DESIGN STUDY 50

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A single dark pedestal centers a pale surface between two upholstered booth seats.

Round Pedestal / Light

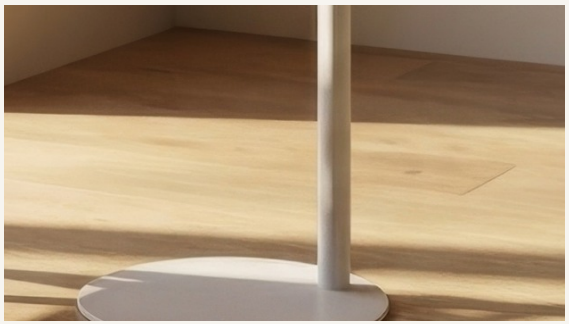

LOUNGE + HOSPITALITY / DESIGN STUDY 51

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A small circular surface and pale pedestal create a quiet companion to nearby seating.

Round Pedestal / Studio

LOUNGE + HOSPITALITY / DESIGN STUDY 52

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A simple light circular top and compact base form a restrained standalone silhouette.

Mobile T-Base Table

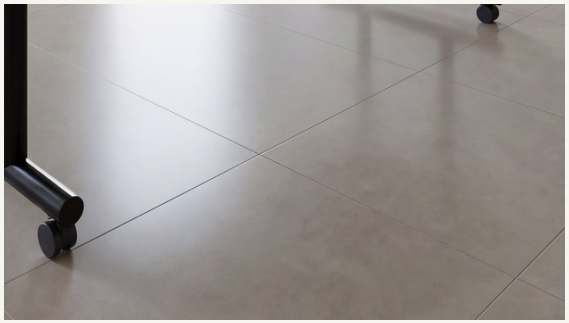

FLEXIBLE SPACES / DESIGN STUDY 53

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A light wood-look surface and dark wheeled supports create a clear mobile-table profile.

White Cross-Base Project Table

COLLABORATION / DESIGN STUDY 54

SURFACE & EDGE

BASE & SILHOUETTE

Design perspective

A broad pale surface and sculptural bright supports complement a generous open interior.
